PROFESSIONAL SUMMARY

Software Developer and Informatics Engineering student focused on web application development and data management systems. Skilled in practical application of modern technologies such as Laravel, Python, React.js, and Tailwind CSS. Strong analytical and problem-solving abilities, demonstrated through the development of an inventory monitoring information system. Committed to consistently delivering software solutions that are efficient, secure, and user-friendly.

EDUCATION

Universitas Pancasila

2022 - 2026

Bachelor's Degree, Informatics Engineering | GPA: 3.64/4.00

- Activities: Active Board Member, Division 1, IMATIKA FT-KMUP.

SMAIT Al-Madinah

2019 - 2022

Social Sciences (IPS) Track

PROFESSIONAL EXPERIENCE

Software Developer Intern | PT Indotech Energi Persada

2025

- Designed and developed an interactive full-stack application using HTML, CSS, JavaScript, React.js, and MySQL to support operational needs.
- Built and integrated a secure user authentication system and web-based data management module to improve information management efficiency.

Mobile Application Development Intern | PT Indotech Energi Persada

2025

- Developed a Flutter-based mobile application to facilitate efficient task recording and management.
- Integrated RESTful APIs into the application to ensure smooth, real-time data synchronization across devices.

PROJECTS & PORTFOLIO

Fire Extinguisher (APAR) Management and Monitoring Information System | Laravel, PHP, Tailwind CSS

- Built a web-based information system for PD Anugrah Utama to track and monitor the condition and compliance data of Portable Fire Extinguishers (APAR).
- Implemented the Laravel framework on the back end and Tailwind CSS on the front end to deliver a clean, responsive, and user-friendly interface for administrators.

TECHNICAL SKILLS

Web Development: Laravel, Tailwind CSS, HTML, CSS, JavaScript, React.js

Back-End & Database: Python, PHP, MySQL, Database Integration, RESTful API

Applications & Frameworks: Flutter

Design & Tools: Git, Visual Studio Code, Figma, Canva, Office 365

CERTIFICATIONS & TRAINING

- 12th AIFED Visual Data Storytelling Competition 2023 — Ministry of Finance
- Techno IT & Organizational Class (Kelas Organisasi) — IMATIKA FT-KMUP

LANGUAGES

- Indonesian — Native speaker
- English — Limited working proficiency
